

ROTAX ASIA MAX CHALLENGE 2018 **BULLETIN #1**

In order to encourage more young drivers into karting and to allow new comers into the Micromax class where they can learn the art of driving among beginners instead of racing against more experienced drivers, the Micromax class is being split with a new class is being added to the Challenge for 2018. Please add this bulletin to the SRs that have been published and circulated.

MICROMAX NOVICE

Restriction: This class will be for first time licence holders in 2018 with no previous racing experience.
